Mr Miles Brennan  
Four Wheel Drive Australia  
PO Box 174  
Brisbane Markets QLD 4106

Dear Mr Brennan,

Thank you for your correspondence regarding the national alignment of vehicle modification legislation.

NSW Labor is committed to road and vehicle safety in NSW and acknowledges that vehicle modification standards and processes differ across state and territory jurisdictions.

A NSW Labor government will seek advice from key stakeholders and independent experts regarding a federal alignment of vehicle modification standards to ensure that any alignment upholds NSW road and vehicle safety standards.

Once again thank you for your correspondence.

Yours sincerely,

A handwritten signature in black ink that reads 'Jodi McKay'.
