**Subject:** reply from motorits party

Hi Miles,

Thanks for your email. As a party promoting issues specific to motorists – removing the tolls, getting rid of speed cameras, removing traffic offences from SPER collection, etc I'm delighted to be able to say to your members that you will have our FULL SUPPORT for all the issues you have raised.

You can check out what we stand for at [www.no-tolls.org](http://www.no-tolls.org)

PS – We'll also be demanding an immediate end to this lunatic lock-down and opening up Qld borders to tourism again.

*“Only those who can see the invisible, can achieve the impossible.  
Imagine .... Believe .... Act - and you can change the World!”*

*“The penalty for refusing to participate in politics is that you end up being governed by your inferiors” Plato*

..... So please, **get involved!**

Namaste,

Jeffrey Hodges B.Sc. M.Sc.(Hons) B.Ed.  
Founder & Secretary  
.... and Next Premier of Queensland!

[Our Policies](#)

We will .....

- Be Independent, Honest and Trustworthy – our party and candidates do not accept financial 'donations'.
- Keep our Food & Water Safe - ban GMOs, encourage organic farming, and end Fluoridation of our water.
- Stop Privatisation - end road Tolls, and keep roads, power, water and other essential services in public ownership.
- Cut Politicians' Salaries & Perks – MPs get \$200,000+ a year, while 1.8 million workers earn < \$40,000 a year and 3 million pensioners get < \$25,000 a year.
- Improve Public Health – include complementary medicine (acupuncture, chiropractic, homeopathy, Reiki, etc) in public health services.
- De-centralise power – give local communities control over developments (mines, shopping centres, etc.)
- Protect our Civil Liberties - right to free speech and right to refuse medication without discrimination.
- Encourage Small Business and Enterprise – cut red tape and reduce small business costs.
- Strengthen Animal Welfare – introduce better legislation, enforcement and education to end animal cruelty; phase out live animal exports and end battery caged egg production.
- Preserve wilderness areas and wildlife habitats. Reduce carbon emissions by planting millions of trees to provide both a valuable renewable resource and revitalise our timber industries – NOT by charging a carbon tax!
- Get Rid of HECS – stop putting our young people into huge debts before they even have a job!
- Replace Income Tax with a Bank Debit Tax – reduce tax for ordinary workers and capture tax avoiders.
